

OUR PRODUCTS IDEALLY MAKE YOUR CAR MORE BEAUTIFUL AND STAY MUCH LONGER THAN THE OTHERS. OUR TECHNIQUES ARE RELIABLE AND WILL MAKE YOUR LIFE MORE COMFORTABLE.

COMPANY PROFILE

KISHO Corporation founded and started business in 1965, we have produced our chemical products as OEM manufacturer and sold them to large manufacturers. Based on our consistent knowledge and experience ranging from designing, research, develop to produce, we know better how to make cars look more beautiful than anybody else.

As a team we work with various experts such as professional researchers so we are able to achieve the "beauty" of cars as the new value of our company.
